Dear Admiral Turner:

With further reference to a conversation my office had with yours about the possibility of your speaking to the kick-off luncheon of the "America's Finest City Week" celebration in San Diego on August 18, I am pleased to outline further information about the event.

"America's Finest City Week" is an annual festival well attended by various segments of the community. The arrangements are made by the Central City Association of San Diego with the enthusiastic backing of both the business and military communities. This year the group has particular interest in inviting you to speak in view of the world situation. I know you would be outstanding and would have a timely message. The event is well-covered by the media.

I would like to urge you to consider this appearance if your schedule permits and will look forward to hearing from you at your earliest convenience. Please know that I enthusiastically endorse this event and know-you would greatly enjoy the hospitality of the City.

Sinegrely,

Bob Wilson Member of Congress

The Honorable Stansfield Turner Director The Central Intelligence Agency Washington, D. C. 20505
